

U.S. Gives Frankfort \$57,000 To Aid On Sewers

The village of Frankfort has been awarded a federal grant of \$57,797.57 to be applied to the cost of the sewage treatment plant that is being constructed in conjunction with a sewer system for the municipality.

A resolution accepting the grant under the conditions imposed by the government was drawn up by Acting Village Attorney John Verklan, and adopted by the village board at its regular meeting Monday night.

This grant does not have to be repaid by the village. It was made

available thru a program sponsored on congress to rid streams of pollution, Hickory creek, which is one of the streams Illinois is attempting to clear, now drains off sewage from Frankfort as it did from Mokena and does from New Lenox. Mokena received a grant of some \$60,000 to aid its sewer project. The grant given Frankfort is larger than was anticipated there. In fact it was believed for a time that Frankfort might not get a grant but Engineer Robert Hamilton filed for it in behalf of the

community and it finally became approved. It was said that this should ease some of the long range costs of the program.

The board also adopted four ordinances calling for annexation of certain properties, Attorney A. H. Krusemark, with whose firm he is associated, to guide the trustees in the legalities of the move.

The first annexation was for approximately 150 feet of Commonwealth Edison right-of-way, which opened the door to annexing 100 feet of E.J. & E. railway right-of-

way and this enabled the village to take in the 80-acre farm of Mark J. and Catherine Perkovich which extends along the east side of U.S. 45, South of the Village. Twenty acres of this tract was then zoned for light industry.

Also annexed was a piece of the farm of Herman and Engebord Barlewort -- a piece 350 by 600 feet. This is in Sec. 31, and is located on the west side of U.S. 45 near the junction with U.S. 30. Barlewort had given the village an easement to aid its sewer program

and under the conditions he was to be permitted an opportunity to connect with the sewer if a part of his land became annexed.

Representatives of the Frankfort volunteer fire department who came to the meeting to seek information relative to formation of a fire protection district were told by Attorney Verklan what steps would have to be followed. There has been talk of reviving a plan to form a fire protection district made up of Frankfort and Green Garden townships.

Plan Tests For Graders At Sandburg

All eighth grade students who are planning to enroll at Carl Sandburg high school in September 1960 are required to attend a testing day on Friday, Feb. 26. The high school will not be in session that day.

Also parents and students affected by this program have been notified, the administration at Carl Sandburg high school urges them once again to make every effort to comply with this testing day requirement.

One week prior to this testing day, a high school-grade school articulation program will be held from 2:30-3:30 p.m. at Carl Sandburg. At this time, Friday, Feb. 19, 1960, all eighth grade teachers from the various grades schools that send students to Carl Sandburg High School will assemble to discuss the orientation, testing and placement of eighth grade students who will enter Carl Sandburg in September of 1960.

At the meeting the eighth grade teachers will have an opportunity to ask specific questions that they might have regarding the handling of in-coming freshmen. The counselors will have the first semester grades of this year's freshman (last year's eighth graders) so that the visiting teachers might examine these grades, making helpful comments that might indicate whether the student is over or under achievement expectations.

At this time also, teacher's will be asked to rate each eighth grader he is sending to Sandburg next September in various subject areas. The teacher's appraisal will be used by the guidance department in future scheduling along with test results.

Since Carl Sandburg High School generally follows the policy of ability grouping, early and accurate information is very important for correct placement.

Rich High Boy Dies in Car-Train Crash at Matteson

Andrew Sloan, 17, a junior at Rich high school and son of Greg Sloan, athletic director of that institution, was killed Monday in an auto-train collision at the Main street crossing of the Elgin, Joliet and Eastern railway in Matteson.

According to the report of the accident the warning signals at the crossing were in operation but young Sloan apparently ignored them. The Sloans reside in Matteson.

A survey of senior parents in regard to the date and time for commencement exercises indicated that of the parents who responded, more than 95 percent indicated that they favor outdoor exercises, with about 70 percent favoring Sunday, June 19, 1960 for the Carl Sandburg graduation ceremonies. By common consent, the board of education authorized the superintendent to make plans for that date and consider a starting time of 4 or 4:30 p.m.

A resolution authorizing participation in the Joint Service Program of the Tri-County school boards was adopted at the Jan. 13 meeting. The resolution deals with the group's effort to overcome tax objections raised against member districts.

Two Orland Men To Receive Citizen Of The Year Awards

There will be two speakers next Wednesday night when the Orland Park Chamber of Commerce holds its annual meeting in the form of a dinner at Silver Lake Country club.

William O. Fisher, superintendent of Carl Sandburg high school, and Warren L. Schlieske, head of a realty firm at Oak Lawn will each address the members and guests.

One of the highlights of the program, of course, which has been arranged by Dr. E.W. Schuessler, retiring president of the organization, will be the presentation of Citizen of the Year awards. Two men have been chosen for this honor, Supervisor Fred Yunker, representing Orland township, and Fire Chief Arthur Granat, representing the village of Orland Park.

Recently elected officers who will lead the chamber during the ensuing year will be officially installed at the dinner next Wednesday. Ray Shank, manager of the I.N.R. Beatty Lumber Co., at Orland Park, is the new president; Arthur Novak, of the Martin Implement Co., is vice president, and Edward Schuetz, operator of the I.G.A. Foodliner, treasurer.

Supt. Fisher's topic, "Where Do We Go From Here?", is based on a study of the growth in Orland township recently conducted by Carl Sandburg high school which gives a picture extending into the next decade.

It is also expected he will give a preliminary report on plans for use of the school's new swimming pool by residents of the community as well as students. It is expected the pool will be ready for use next summer.

Mr. Fisher has been superintendent of Carl Sandburg High School since July 11, 1955, during which time the high school has had two building programs of over one million dollars each and has purchased property for additional high schools. Mr. Fisher, his wife

and daughter live in Orland Park where his daughter attends the Orland Park Elementary School.

During World War II he attained the rank of major and served with General Chennault's group in China as a fighter pilot. He holds the Silver Star, the Distinguished Flying Cross, the Air Medal and was twice awarded the Purple Heart. He is a graduate of the University of Oklahoma and taught one year in the College of Education at the University of Oklahoma.

Mr. Schlieske is a native of Chicago, having spent his early years in the neighborhood of 63rd and Kedzie when that area was considered a "small community." For the past 12 years he has resided

at Oak Lawn where he has been a member of the Chamber of Commerce for the past 10 years. He was president of the organization during 1953 and 1954. In 1955 he served as president of the Oak Lawn Lions club.

He also headed the organization committee of the Southwest Suburban YMCA which now has a new swimming pool, ice skating rink and administration offices at 94th and Knox in Oak Lawn.

Mr. Schlieske will discuss the true objectives of a Chamber of Commerce and the part such an organization can play in the development and progress of an entire community.

Sandburg Science Student Wins Westinghouse Award

Patrick Barrett, Carl Sandburg High School senior, added another honor to his list of science awards when announcement was made that he was a national winner in the Westinghouse Talent Search program. He is the first science student from Sandburg to receive national recognition in the Westinghouse contest.

Last year Bob Stellwagen received a State honorable mention award in the contest, entered for the first time that year by Sandburg. Both Barrett and Stellwagen received the Basuch and Lomb Science award, given each year to the outstanding science student in the senior class. Stellwagen went on to receive national recognition from Buasch and Lomb, being picked as one of the top ten award winners in the nation.

Barrett's selection in the Westinghouse competition ranked him among the top 10 percent in the nation entered in the contest. The 40 persons from this top 10 percent were named Feb. 2, the selection being on a chance drawing for a Washington trip. Illinois had 40 winners in the listing of the top

484. Barrett is the son of Mr. and Mrs. Claude Barrett, Palos Park. Stellwagen is the son of Mr. and Mrs. Stellwagen, Tinley Park.

Man Injured In Fall From R.I. Train

Lee Colley of 925 Wisconsin st., New Lenox, is reported recovering from injuries in a fall from a Rock Island train on Jan. 23.

He is reported to have been preparing to alight from the 5:30 p.m. suburban train at New Lenox, when it started to move. While turning around to return to the coach, the train movement threw him to the ground, he was quoted as saying.

It was dark when the accident

occurred and there were no witnesses who saw him fall. He reports stumbling to the office of Dr. Leo Mursky in New Lenox.

It was necessary to take 16 stitches to close a wound on the chin, and other injuries sustained were the loss of an undetermined number of teeth, a fractured left arm and bruises.

He was in Silver Cross hospital for a week and will not be able to return to his place of employment as a draftsman for Western Electric Co., in Chicago, for several weeks.

He and his family, former Lockport residents, have been living in New Lenox for seven years.

A WELCOME SIGHT in the area last week were these snowplows. Some were operated by the state, some by the counties, some by the town but whatever the source they were welcome. The sleet and snow that tied up sections of the area kept these snow plow crews busy. The one shown here happened to be working on Wolf road at the time. Some of these days a bright guy will come along with a gadget to hitch to snowplows to snake snow away from in front of driveways. (Marvin Smith Photo)

U.S. Census Bureau Opens District Office In Joliet

Establishment of a district office for the 1960 census of population and housing at 168 N. Ottawa St., Joliet has been announced today by Director Theodore F. Olson of the census bureau's regional office at Chicago.

Mrs. Hazel D. Christianson will be supervisor of the district office. She will direct a force of crew leaders and census takers in Will, Boone, DeKalb, Grundy, Kendall, La Salle counties.

Taking the 1960 Census nationally will require the services of 160,000 enumerators, 10,000 crew leaders, and 400 district supervisors, all temporary workers. The district supervisors, working under the general direction of the permanent regional field directors, are responsible for all phases

of the census in their districts. Duties of the district supervisor include the recruiting of the crew leaders, obtaining space for crew leader training, recruiting and training a small office staff, reviewing the completed questionnaires, and direct supervision of the field canvass which begins on April 1.

Prior to the start of the census, all households will receive in the mail an advance census report form, a new census-taking device which is designed to speed up the field canvass and provide more accurate statistics. Distribution of this form, which contains the basic population and housing questions, gives the family a chance to assemble information about each member in advance of the census taker's visit.

Carl Sandburg

Board Approves Construction Bills

At the regular meeting of the Board of Education of District 230, Carl Sandburg High School, held Jan. 11, construction bills indicated an unusual degree of progress for building during the winter months.

Construction bills approved for payment amounted to \$104,242.26. At the Jan. 25 meeting of the board, Superintendent W. O. Fisher presented a new cash forecast projection, the third such projection to aid the board in taking action on financial matters, which are quite complex at the present time.

At the first meeting of the month, Superintendent Fisher reported that the unusual weather in December and January has allowed the enclosing of major sections of the new additions where inside work,

including plastering is now underway. The pouring of concrete decks and roof installation has also been possible. Steel for the swimming pool is in place as are most of the window frames, which are now being fitted with glass.

The total payroll for the period ending Dec. 13, 1959 amounted to \$23,248.35 and was approved, as was the Jan. 15, 1960 payroll amounting to \$21,688.74. Bills amounting to \$17,432.86 were approved at the Jan. 25th session.

Other business to come before the board included authorization to Superintendent Fisher to offer the use of the high school facilities for grade school commencement programs to grade school districts underlying the high school district.

Open Bids On Small Tracts At Arsenal

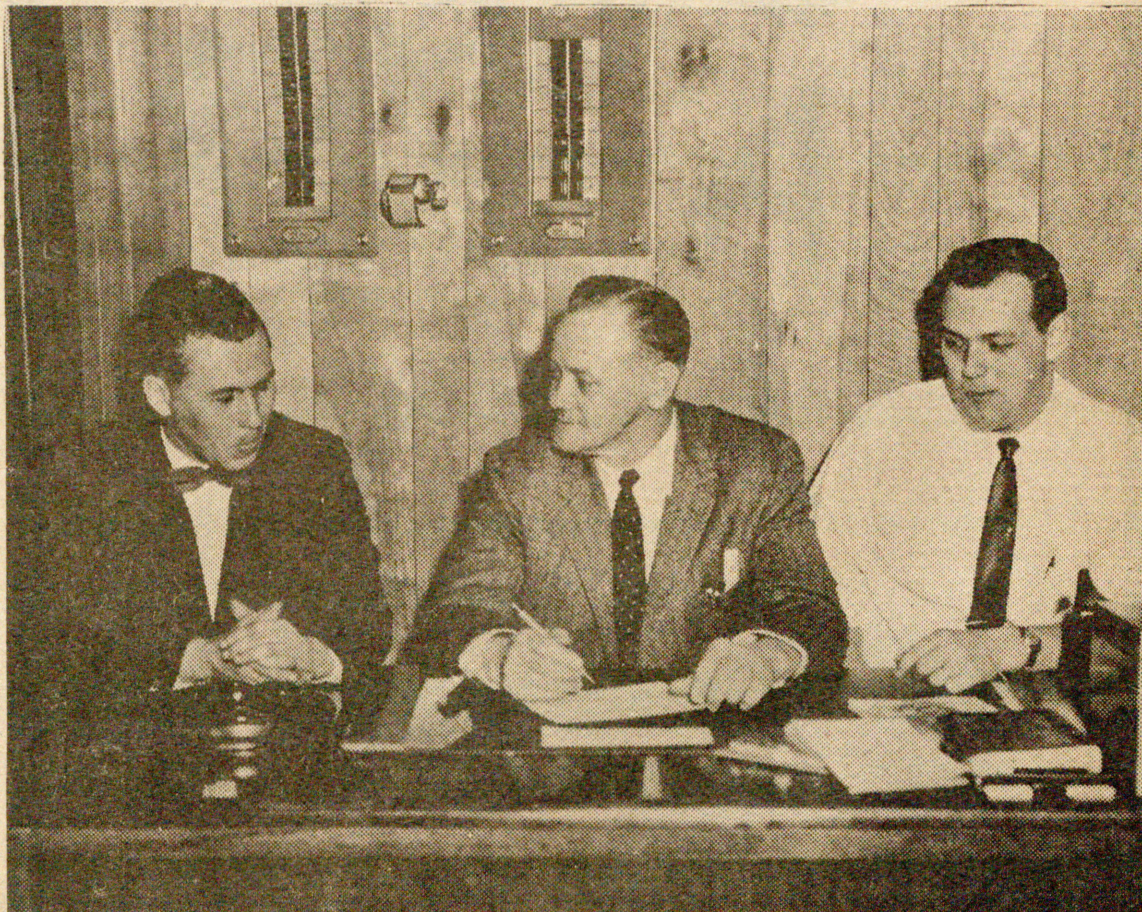

Bids on leasing small tracts of lands from the federal government that are now in the Joliet Arsenal holdings south of Joliet are scheduled to be opened this afternoon at the office of the Post Engineer, Joliet Arsenal.

The bids are to be received up to 1:30 o'clock this afternoon. The plan is to lease out 25-acre parcels to farmers. The number of tracts total 4,451 acres, according to Col. C.F. Mitchim, district engineer.

Use of the land will be restricted, under the leasing arrangement, to production of hay, seed crops, and vegetable crops in conformance with the Administration's policy of prohibiting the production of price-supported crops in surplus supply on government-owned land.

The policy of making land not presently required for defense purposes available for agricultural use has proved profitable both for the Government and to the lessees, Col. Mitchim stated. In this connection, he pointed out that it assures the maintenance of the land and, at the same time, assists in conserving its productive capacity.

All leases will be for periods of five or 10 years, beginning March 1.

NEW OFFICERS for the Orland Park Chamber of Commerce will be officially installed next Wednesday night, Feb. 24, at the annual dinner of the organization at the Silver Lake Golf club last night. Left to right they are, Arthur Novak, of Martin Implement Co., vice president and membership chairman; Ray Shank, Beatty Lumber, president; Edward Schuetz, operator of the IGA Foodliner is the new treasurer. Last night's affair was well attended.

Kankakee, Illinois - An operating budget of \$1,015,000 was adopted by the Board of Trustees of Olivet Nazarene College in their annual meeting. This is the first time in the history of the school that a budget in excess of a million dollars has been undertaken by the college. The report of the business manager indicated an anticipated income of \$1,053,000.

In other actions the board voted to proceed with plans for the erection of a new science building at an anticipated cost of approximately \$1,000,000 and with preliminary planning for a 150 bed men's residence and a building to provide food services for the student body which is expected to increase by approximately 50 per cent in the next seven years.

Officers of the Board reelected for the new year are Dr. Paul Updike, Marton, Ind., chairman; Dr. Lyle E. Eckley, Peoria, treasurer; and Dr. Harvey S. Gallo-way, Columbus, Ohio, secretary. Elected as vice-chairman to replace the retiring vice-chairman, Dr. W. E. Albee of Dayton, Ohio was Dr. E. D. Simpson of St. Louis, Mo.

Tickets may be purchased from Mrs. Mary Chladek or at the door.

Mrs. Clara Schram, president, is chairman in charge of the affair. Mrs. Albert Luke and Mrs. Pat Sztoris will serve on the refreshment committee. Mrs. Dorothy Owen, Mrs. Mellie Taylor and Mrs. Betty Otis, are on the prize committee. Mrs. Helen Madden is chairman in charge of children's games.

Eighteen members of the Busy Hour 4-H club are practicing for the part they will take in the "Share the Fun" program to be held Friday night, March 11, at Lincoln-Way High School.

Eight of the girls will take part in a square dance, while others will sing duets and pantomime to records.

Mr. and Mrs. William Malloy and family, Mr. and Mrs. Jack Malloy and Mrs. Mary Neuburger and children, all attended the ice carnival on Sunday at Twin-Lakes, Wisc.

Mr. and Mrs. Clifford White and family visited the aquarium in Chicago on Sunday.

MUSTANGS WIN SWS MAT CROWN

Bremen In 4th Place-Sandburg 5th-

BY BRUCE RODGER
Evergreen Park won its first Southwest Suburban wrestling championship by downing the perennial champs, Reavis and Oak Lawn, Saturday Feb. 6, at Oak Lawn.

Evergreen, coached by John George, placed three boys in first place; Tom Heniff at 112 lbs., Rich Engel, 138 lbs., and Don Kaspar, 154 lbs.

Engel won his first match from Mottelle of Lincoln-Way, and nosed out Jim Casey of Bremen 4-3.

Caspar took the 154 lb. class by downing Miller of Lincoln-Way in the finals 4-2. Other performers who aided in the Evergreen victory, were Dumowick and Baldwin who won their first matches.

Charles Harrison of Evergreen lost in the finals to Semetis of Sandburg. Reavis, last year's champions, coached by John Fitzgerald, took second place in the tourney, with 13 points less than the winning team.

Winners for the Rams were Don Graf, 133 lbs., Dave Jackson, 95 lbs., and William Roy, 145 lbs.

Pete Rees lost to Engle in the finals to come in second. Wittenkeller of Reavis, a 180 pounder, won his first match, but then lost to Ed Surelly of Bremen, 180 lb. champ.

Salerno and Adnit each won one match.

Oak Lawn nosed out the Bremen Braves to take third place. Their three star performers Pat Corello, team captain and fourth in the state last year at 120 lbs., is now 127 lbs. He came in first by beating Jerry Vickers of Bremen, Baldwin of Evergreen and Dumowick in the finals.

Nicholson, Bulck and Cump all won their first matches to give Oak Lawn some helpful points.

Members of the fourth place Bremen team, coached by Kay Hutsell, are Wayne Jackson, 95 lbs., Robin Denner, 103 lbs., Jerry Grossenbacker, 112 lbs., Jerry "Chico" Williams, 120 lbs., Jerry Vickers, 127 lbs., Miglins, 133 lbs., Jim "Mouse" Casey, 138 lbs., Ray Foose, 145 lbs., Dale Timmons, 154 lbs., Bob Jerkatis, 165 lbs., Ed Suellly, 180 lbs., and Rich "Duke" Snyder, a heavy weight.

Williams, Foose, Clarke, Vickers, and Miglons, each lost their first meet. Second place winners were Kenner and Jerkatis.

Bremen also had two wrestlers in third place. They were Casey who beat Clendinning of Rich 4-3, then lost to the champ, Rich Engle, 4-3, and then pinned Cump of Oak Lawn.

Timmons also won a third place medal by beating Joe Hart of Homewood-Flossmoor and Brynes of Oak Lawn, then losing to champ Kaspar.

The Bremen first place winners in their matches, were Suellly and Snyder. Suellly at 180 lbs, beat Christon and Wittenkeller, then beat Dave Bormet of Sandburg for the championship.

Snyder, Bremen's heavyweight, pinned Alberine of Sandburg and then went on to beat Miller and Adivit to be the heavyweight champ.

Lincoln-Way's varsity wrestling squad lined up at a practice session prior to the sectional meets this week-end.

Sandburg came in fifth with Ron Semetis taking first at 120 lbs., Ron beat Hackel, Nicholson and Harrison to come in first. Bormet came in second, losing to Luellly in the finals.

Lincoln-Way came in sixth under coach Ron Larson. They had no first or second placed, but had three who came in fourth, Ed Smith, Jim Rogar and Bob Miller.

Host Carl Sandburg came out of the district meet with three

RON SEMETIS of Carl Sandburg captured crowns at both SW Suburban Conference and the District Tournament held at his own school.

Oswego Wins District Wrestling Meet At Sandburg: Eagles Have 3 Champs

Powerful Oswego easily outdistanced Joliet for the district title at Carl Sandburg last Saturday afternoon and evening. Oswego netted 93 points while second place Joliet received 69.

Host Carl Sandburg came out of the district meet with three

champions. Oswego had only three district winners, but had more second and third place finishers. Sandburg nosed out Lincoln-Way for fifth place in the tourney, 41-40. Lincoln-Way did not have a wrestling champ on the district level, but will send three second place finishers on to the next echelon in a battle for a state title.

Ron Risner of Sandburg beat Fred Jorgenson of Joliet for the 112-pound crown in a 1-0 match. Ron was a big surprise as a junior at Sandburg last year. More is expected of him in the wrestling matches.

Ron Semetis, SW Suburban Conference champ, in the 120-pound class decided Wylie Robinson of Oswego, 4-2, in overtime. Ron will be strong as he continues for a shot at the state title. He is considerable improved over last year.

Ray Heniff of the Eagles beat Norm Harvey on a default in the 165-pound class to round out the Sandburg three first place winners. Ray was not able to win in the SWS tournament at Evergreen Park a week ago.

Lincoln-Way's three second place winners were Cliff Cheatwood, William Rogers and Ed Smith.

Cheatwood dropped a 9-4 decision in the 95-pound class to Jim Rumchak of Lockport. Rogers lost 10-6 to Theodus Lincoln of Lockport in the 145-pound division. Smith dropped a heart-breaking 1-0 decision to Ed Lipscomb of Naperville.

Lincoln-Way had a fine chance of finishing rather high in the tourney at the beginning of the conso-

lation and championship efforts, but too many fourth place finishes dropped the Knights down from a third place standing to a sixth place finish, one point behind conference neighbor Carl Sandburg.

Ron Larsen of Lincoln-Way was a bit discouraged that a few of his high regarded youngsters didn't win a couple of consolation rounds to help the team finish higher. "But we have now turned with renewed energy to look toward the next meet. We are hoping to get this second place boys winning," Ron reported.

Browsing Through The Cold Stove League

BY DEAN DALLAS
Semmler Press Sports Editor

Just three games left on the agenda in the SWS Conference. If Carl Sandburg defeats Rich on Friday evening at Orland Park the conference race will be over. Sandburg should handle this with ease.

Talk is now beginning to turn to baseball. Who will do things in the SWS baseball picture?

Rich and Carl Sandburg tied as co-champs in the SW Suburban last year, but neither would appear to be the favorite in the early segment of the star gazing.

Down or up -- depending on where you live -- they are talking about some chance for the state championship -- this is Evergreen Park. The Mustangs had a young group of boys who could hit the ball, but lacked the pitching necessary.

The talk is that they have some mound help and that the hitting should be heavier that it was last season; in fact, so much heavier that the local nine's of Sandburg, Bremen, and Lincoln-Way should not be able to withstand them.

Hank Meier at Sandburg is searching for an outfield. He claims that he has just one outfielder, unless some new one sprouts in the spring. Rubber arm Phil Yurtis is gone, but "Bud" Swayne is back and Bud won a couple of big ones for the Eagles last season. Meier is quite certain that things are not going to be a lush on the Orland Bluff in the Sprint.

Bremen has plenty of material again. They have an excellent pitcher in Pete Loverich. It is possible that they could win the Conference championship -- if Pete pitched every game.

However, the Braves should not be lightly regarded in the preseason predicts. They will furnish sturdy opposition to any outfit the Conference throws at them. They might even give a state champ the fits.

Lincoln-Way will have plenty of returning lettermen for baseball. If the Knights can get some hitting they should perk up in baseball as they have thruout the past season in most every sporting activity.

The Knights will be young and thus should still be a bit erratic. If they get consistency -- this could happen -- rugged team will develop.

Carl Sandburg came out of the first wrestling struggle with three men in first place spots. Bremen had a 95-pounder, and Lincoln-Way had three second place finishers.

Youth Association Invites Men To Baseball Meeting

All men interested, and fathers of boys from 7 to 17 years of age are urged to attend a meeting of the Orland Park Youth Association being held tonight at 8 p.m. in the fire house.

Attendance at this meeting will serve as evidence of the interest of Orland parents in a baseball program for 1960.

The purpose of this first meeting of the year is to present the proposed 1960 baseball program, elect officials and name committee appointments.

The officers and members present will exercise the right to consider abolishment of the baseball program should paternal attendance at the meeting be lacking.

During the 1959 season, a total of 155 boys participated in the program. They were fully uniformed, equipped, and supervised. The anticipated registration for 1960 is 200 boys.

The Youth Association is also looking for a location for two more baseball diamonds. The existing four diamonds are inadequate to handle the estimated 17 teams.

President officials of the organization and their phone numbers, are Bill Zinn, president, Fieldbrook 9-0228; Bill Fisher, vice president, Fieldbrook 9-0227; Gene Hartnec, secretary, Fieldbrook 9-7914; and Bill Presler, treasurer, Fieldbrook 9-8324.

Owners Of Horse Farm Attend Course

Mrs. Glen Vally, Don Warning and Edward and Carolyn Johnson, owners of Windy Hill Farm, all of New Lenox, attended the first Horse Breeders Short Course ever offered by the University of Illinois. It was held here Feb. 4-5.

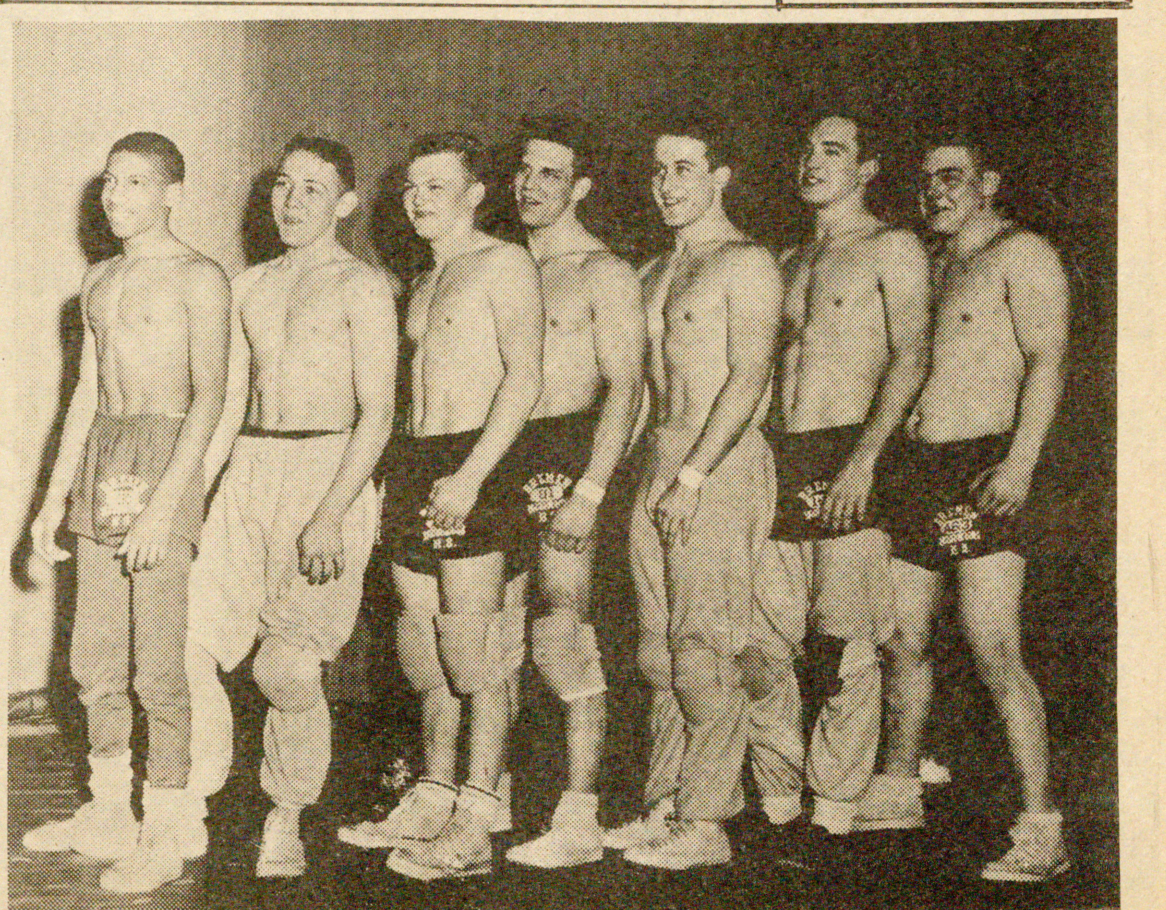

The course was designed for both horsemen and veterinarians, according to Dr. L. E. Boley, chairman. Discussions -- of use to those interested in racing, pleasure, show, and working horses, and to others interested in ponies -- was augmented by questions and answers periods.

Speakers were U. of I. faculty and outstanding veterinary practitioners and professional horse

farm managers. The Horse Breeders Short Course was conducted cooperatively by the University of Illinois College of Veterinary Medicine, College of Agriculture, and Division of University Extension.

BEAT RICH CRY AT SANDBURG

Victory Tomorrow Will Mean Cage Title For Eagles

No one expect the Eagles to fly off with the title last fall. In fact, it was Bremen--yes, they were the favorites. But tomorrow the Sandburg team can boast an 11-1 Conference and its the first basketball crown in the history of the school. It is rather fitting that they should beat Rich to take the crown to the Eagle nest. If they win, Friday, it will be just the second time that Rich has lost the conference title in the six years of SWS activity. Sandburg took things into its own hands, to march off with the crown

by belting the three top contenders on three successive outings. Last week-end with great scoring from Ron Lindgren, the Eagles, subdued Reavis--I think--they gave the Rams the worst night of this basketball campaign. Plainfield, ranked about 23rd in the state, felled the Sandburg team for its fourth loss of the year by a total of four points. Last time Sandburg and Rich got together, the Eagles came home with a 7-point verdict. This game was played at Park Forest. Rich is not often beaten at home. Lincoln-Way found that out last

Friday. The Rocket will be trying to launch itself out of the Eagles' nest. The only team that has been able to do that successfully over this entire season was the Argo team. That was a close contest. Paul Busch was the high scorer against the Rich team in the first struggle. One doesn't know who it maybe in the next contest. McBride (Gerry) to Lindgren in the last contest was exceptionally effective in stopping the upset bent Rams by a 17-point margin.

SPORTS

Until this contest, in fact--it was the first time in about four games that the Eagles looked much like the team that had cut down its three conference foes without a hitch.

This was grand warm-up. However, Rich will not be coming over to lose this game and would like nothing better than to keep things in the guessing stage with an upset victory over Sandburg.

Larry Karp, a large boy, made quite a difference in the final bull-like rushes that Rich made on Lincoln-Way. Larry is big and tough. He didn't see action in the first game of the two teams.

Karp could give some trouble to Lindgren, Arnold and Roberts on the backboards.

Bill Adams' men should move along with this game. They seem to recognize, at least they seem to with the rousing victory over Reavis, that every game is won on the court and not on paper.

If the Eagles are up, with every weapon sharpened they should be able to send a large group of rooters home from the gym overjoyed with the first SWS basketball crown in the schools history.

Other games remain on the schedule, but they will be an anticlimax if the Eagles top Rich.

The score could mount high in this game, but the Eagles are expected to go with their seasonlong emphasis of defending the opponent. They feel that if they can stop him from scoring, then they can win. It has proved a very successful idea thus far in this season.

BUILDING PERMITS

Valuation of building permits issued in the Village of Tinley Park in the month of January, totaled \$2,108.

One permit was issued for repair and addition to a residence valuation \$720; one for a new residential garage, valuation \$1,188; and one sign for a gas station, \$200.

Bremen Aims For 2nd Spot

Bremen's Braves will be trying for at least a tie for second place with the Rich Rocket after the week-ends activity. Lincoln-Way will seek to move up into the first division of the SWS. The Knights would like nothing better than to finish in the top bracket for the first time in the history of the school.

The Braves face the winless Evergreen Park Mustangs at Evergreen on Friday evening. Bremen was able to take the Evergreen team by only five points in the first meeting.

Bremen rules the favorite. Lincoln-Way will be in for plenty trouble. The Knights shocked the Vikings of Flossmoor with an 11-point win at Lincoln-Way early in the season, but still cannot be counted the favorite after losses to Reavis and Rich successively.

If the Knights can take Flossmoor it will mean the 5th, loss for the Vikings and a possible with an Lincoln-Way victory and a Flossmoor loss with Sandburg of a tie for fourth.

Saturday evening will be a real struggle.

Lincoln-Way and Bremen will lock horns in another exciting struggle. The Braves won the first engagement in the last 10 seconds at Midlothian and Lincoln-Way as wanting nothing better than to even the score at home on Saturday.

This is quite a week-end of action.

Both teams will be seeking a win for it could mean a tie or even a second place alone for Bremen if Rich loses two. Lincoln-Way could be seeking a tie for fourth.

Lima, the capital of Peru, frequently has dense fogs which make it seem damp. In contrast, there is little heavy rainfall.

ORLAND GRAPPLER -- The Eastern Illinois university wrestling team is enjoying what most observers believe will be the most successful season in the history of the sport at Eastern.

The Eastern squad has good depth, with capable performers in every weight class. Among the members of the 1959-60 squad is Warner Semetis of Orland Park, who wrestles in the 130 pound class.

Semetis is captain of this year's squad and a returning letterman from last year. He is undefeated thus far this season. Semetis was IAC champion in 1957 and 1958, Illinois Invitational champion in 1958, and Wheaton champion in 1959.

Semetis is a senior.

Rich Noses Lincoln-Way Five-- Peotone Also Wins

BY BILL SLUIS

With eight seconds remaining in Friday's cage tilt between the Lincoln-Way Knights and the Rich Rockets, Larry Karp drove to the bucket and laid in two points to give Rich a narrowest of margin victory over the Knights 57-56.

Karp's basket robbed the Knights of an imminent win, as Al Waldvogel had been the hero of the night only a few moments earlier, when he laced a twenty-five footer through the ring with 0:22, giving the Knights a 56-55 lead.

The game, played on the Rich hardcourt, was extremely tight during the second half, as the Rockets regained the deficit the Knights had built against them during the first rounds.

In scoring, it was Phil Wagner netting 20 for the home quint and Larry Karp hit 16 markers. Skip Kruzich bagged honors for the Knights with 17, backed by Ron Yunker with 12, Al Waldvogel's 11, and Duane Warning's 10.

Lincoln-Way might have taken the game, had it not been for the fact that Skip Kruzich and Duane Warning were fouled out of the game, Skip departing with over a minute remaining in the third quarter, with Warning receiving the axe as 5:10 remained in the battle.

The Knights, paced by Skip Kruzich, Duane Warning and Ron Yunker, flew to a 14-9 first quarter edge, to the dismay of an overflow throng in the Rocket gym. Then in the second quarter, with Skip Kruzich burning the nets from 20 feet out, the Knights thwarted the local gang as they leaped to a 31-24 edge, to put fear in the hearts of the Park Forest group. The L-Way defense was excellent stopping any attempt of the Rockets to bring forth a rally. Had it not been for the fact that the Rockets received seven gift markers from the free stripe in the second quarter alone, they would surely have been "out" by a larger margin.

But in the third quarter quick buckets and free throws by Phil Wagner and Ron Stone brought the Rockets roaring back into the game, and they also used a full-court press against the Knights to bring Rich back into the game within three minutes.

From then on, the lead changed hands repeatedly, first belonging to one quintet and then the other, the noise growing more deafening by the moment. With 3:38, Corky Hughes targeted two gift throws to give Rich a 51-50 edge.

But in short order, Duane Warning and Al Waldvogel hit two free flips a piece to give the Knights a 54-51 bulge. But with 2:42, Wagner banged in two free throws to bring Rich within one, 54-53. Thus it remained until, with 0:35, Wagner scored his twentieth point of the night to give Rich the lead once again, 55-54.

But once more before the end the Knights became "top-dog", going into a 56-55 lead on Al Waldvogel's distanceful 25-footer with 0:22.

But then, despite the heroic charges of the Lincoln-Way defense, Karp's bucket sent home the Rich fans satisfied, as the Rockets emerged 57-56 victors.

In a Saturday game at Peotone, the Lincoln-Way Knights were administered their ninth loss of the year against ten victories, as they fell to the Peotone Blue-Devils 73-61.

Led by Fred Van Ien who garnered a crisp 20 points, the Devils took the lead early in the game and never relinquished their advantage. The only consolation for

the Knights was the manner in which Duane Warning played against Jerry Baker, second high scorer in the area.

While holding Baker to a flimsy 10, Duane ripped the nets to his highest total of the year, 24. Duane was also hot on the boards, pulling down substantial totals of rebounds in every quarter.

Skip Kruzich added 14 for the visitors, but was not "tremendously hot" from the outside, preventing him from getting perhaps many more. The Devils, with the victory over the powerful Knights, avenged an earlier loss suffered at Lincoln-Way in the second game of the year.

In that contest the Knights won a close game over the Devils 58-57, as Dan Fenn hit two free throws with only 13 seconds remaining.

But on Saturday, the situation was reversed as the Devils at one time gained as much as a 21 point advantage in humbling the Knights.

Much of the story of the game was the tremendous shooting of the Peotone boys, as they rang home 26 of 49 shots for a sensational 53 per cent. Whenever the Knights tried to move out to stop the outside shooters, Peotone would drive in for layups, causing a serious predicament.

By the half, the Devils had taken an 18-point lead, on top 43-25. After the half, however, the Devils cooled a little, and the Knights were able to break down the lead somewhat before the final gong. Peotone is now 21-31.

Safety Course In Baby Sitting Attracts 120

Parents in the Tinley Park area need not be afraid to call on a baby sitter who has taken a course of instructions. It should also be no problem to procure a sitter, as a total of 121 youngsters responded to the invitation to learn about safety in a course recently sponsored by the Tinley Park Parent-Teacher Association.

The first session of the course was held on Wednesday Feb. 3, at the Central school.

Situations which might develop in connection with baby sitting were pointed out by Mrs. Walter Barton, PTA safety chairman. Stressed were points of safety and specific problems of feeding.

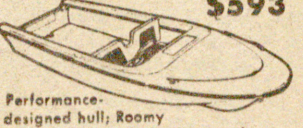

The youngsters also were told that baby care and discipline are to be understood between the parent and the sitter.

Another instructor, Eldon Miller, of the Tinley Park Volunteer fire department, explained to the prospective sitters, what to do in case of fire.

The youngsters asked many pertinent questions. They were as-

sured by the fireman not to be afraid of baby sitting or worry about anything happening, but to be aware just in case an emergency should arise.

Hein To Resign From C.C.H. School District

George Hein, a member of the Country Club Hills school board Dist. 160, has tendered his resignation from that body, effective April 9. He pleads business commitments that would interrupt his service to the schools as a board member and adds that while he regrets severing his connections as such it is a necessity.

Mr. Hein would have another year to serve after April 9, which is the date of the annual school election in the district. Since his resignation is not effective until April 9, it means there will be no additional vacancy on the board until that date and too late to fill by election. His successor will be named by the board within 30 days after the vacancy occurs.

Mr. Hein has been quite active in community affairs. Next Wednesday, Feb. 24, is the day for filing of candidates for 7-member boards to be elected April 9. The last day for such filing is March 19, and the last day for withdrawals is March 22.

Plan Census Classes

Census enumerators who will count the residents of the area in the regular 1960 federal census will attend classes of instruction in the village hall at Orland Park March 28, 29 and 30. The classes, conducted by officials of the U.S. Department of Commerce which has charge of the census, will come from Orland Park, Palos and Tinley Park.

He rolled a perfect game in league competition on the Frankfort lanes and there hasn't been a repeat of the performance in the area since. But who knows -- any night one of you bowlers may find the groove and every roll will be a strike. That's what makes the game so interesting. (Marvin Smith photo)

Woman's Club Books Special Entertainment At Cupid's Ball

BY MARGOT BARTNIK

All is in readiness for the second annual "Cupid's Ball" to be held at Sanger hall, Tinley Park, this Saturday night! The entertainment, which has been kept a closely guarded secret, is all set and the winner of the Country Club Hills slogan contest (sponsored by the City) will be announced. Music will be provided by the "Musical Tones" and a committee of women from the Women's club will serve sandwiches and coffee. Dancing begins at 9 p.m., tickets will be available at the door. Proceeds from the dance will go toward the Civic Center a project in which the Woman's Club has contributed in the past. The women point out that persons who attend the dance will not only have an opportunity to enjoy themselves but at the same time will aid the Civic Center program.

COORDINATING COUNCIL

Next meeting of the coordinating council is scheduled for Monday, Feb. 29 at 8:15 p.m. in the city hall. Roger Chavanne, chairman, requests all members of the community coordinating council be present to discuss several vital subjects -- among them the proposed Community Center. Also on the agenda for the evening is a comparison of planned activities for 1960, a report by the playground & recreational board, suggestions for knowing other organizations, a report by the Woman's club in regard to planning a community fun fair or carnival, and general discussion.

SURFACE WATER

In a news release from R.H. Bell of the Homeowners Association, he states: "At a meeting on Feb. 9, Homeowners Association directors expressed concern over the increasing hazard caused by accumulation of large amounts of drainage water in the area of 186th to 187th street, between Baker and John avenues. Mayor Nally, a speaker at the meeting, indicated that the J.E. Merriam Co. has offered to deed this property to the city for \$1 and the land has been earmarked as a future park and recreation site. However, because of changes necessary in the deed, the property is still owned by the Merriam Co. Water accumulates on this property since it is the lowest land in the area and no provision has been made to provide a drainage outlet. Until some drainage is provided, it is evident

that the water hazard will continue. If this property is accepted by the city without prior provision for drainage, it is evident that the burden of this expense will be placed on the taxpayers. Indicating concern about this situation, the Homeowners Directors approved a motion to send a letter to the J.E. Merriam Co. to inform them that the Association feels that a hazard to the community exists on their property and asking for a prompt reply as to what action they intend to take to eliminate this hazard."

SWIMMING PROGRAM

Interested applicants to the swimming instructions being offered at Thornton Township pool are urged to register soon, as the 30-hour course for senior life saving certificates will begin Wednesday, March 2, from 6:30 p.m. to 9:30 p.m. and will continue for 15 weeks on each consecutive Wednesday. Strong swimming experience is required and applicants must be 16 yrs. old or more. For those who already have a life saving certificate, a course for instructor training is being offered at the same time and place. However, for this training, applicants must be at least 18 yrs. of age. Those interested in a car pool are asked to contact Elmer Wulf, SY 8-7841 or Raymond Champlin, SY 8-8356. For further information, call either of the above mentioned C.C.H. Park & Recreation Board members or contact the Harvey American Red Cross at Edison 1-1075.

LITTLE LEAGUE

Country Club Hills Little League organization has received notice from the Chicago White Sox that their help will be available . . . exact nature of this assistance to be announced later. The news is particularly welcome at this time since it starts the ball rolling ahead of many preparations that are still to be made in order to meet the rigid specifications necessary for the community to have a Little League.

Boys interested in registering for the league may do so March 5 and 6 at city hall, 17701 Crawford. On Saturday, March 5, boys, accompanied by one or both parents, may register from 9 a.m. to 12 noon and on Sunday, March 6, from 1 p.m. until 3 p.m. Each boy must present his birth certificate. Boys eligible are those who were born on and after August 1, 1947 to and inclusive of July 31, 1951. For further information, contact Emil Van Tichelt - SY 9-5390.

MISSION CHOIR

Under the direction of Mrs. J. L. Merriam, the St. Joseph Mission Women's Choir will resume practice this Thursday evening at the home of Mrs. George Bartnik - 18100 S. Baker. Rehearsals will be held as before, in the homes of those members with pianos.

The St. Joseph Mission Women's club will hold its February general meeting on Tuesday, the 23rd, at 8 p.m. in the Mission church at 180th & Kostner. Monthly communion of the club will be held on the following Sunday, Feb. 28 at the 9 a.m. mass.

Katherine Williams was elected

president of the Altar Girls Club of the Mission church, at a recent organizational meeting held at the home of Mrs. Owen Tibbles, 18100 Mary Ann Lane. Lynne Mitchell was elected vice-president; Anne Mary Burroughs, secretary; and Colette Schomburg, treasurer. Other members include Betty Brisk, Laura David, Susan Francis, Kathy Hennessy, Patricia Kelly, Nancy Laux, Mardell Meehan, Deborah Mills, Louise Tibbles, Patricia Wachala, Judy White, Gail White, and Margaret Williams. The group is comprised of teen-age girls who assist the women in cleaning and decorating the altar and vestments of the priests.

JUNIOR 'TEEN CLUB

An ice cream social was the theme for the last regular meeting of the Junior Teens held at Willowview school Feb. 5. The 80 members present entertained twelve sets of parents. Next regular meeting of the 'teens will be on March 4th at Willowview. Chaperones are still needed for these meetings. Also parents are requested to pick up their children at 9:45 at the latest since often the young people are required to wait around outside until 10 and even later. Meetings officially end at 9:30.

NEW MEMBER RECEPTION

The New Member Reception on Sunday, Feb. 14 provided an opportunity to welcome some 28 new members into the United Christian church. Van Van Der Marel, Membership chairman, and his committee did a fine job in preparation, with everyone having name tags, and with some information about the new members. A new member portfolio will be given to all these new members in the near future depicting something of the work of the church locally as well as thruout the world.

Scout Sunday was observed by the church this past Sunday by having the Cubs and Scouts assist in the service with the serving of Communion and the offering. Those boys taking part were: Richard & Robert Lindecker, David Sykuta, Jeff Segin, Boyd Nicholson, Scott Deem, Bill Boyer, and Bill Marquardsen. The charter for the troop which the church is sponsoring was officially presented to the pastor by William Marquardsen, committeeman for the troop.

The first men's meeting is set for Friday, Feb. 19 at 7 in Willowview school in the form of a dinner. Their theme, "A Time for Decision" reflects their seriousness about the building fund which must be underwritten before there can be a building. The finance committee includes: Bob Landeen, chairman; John Cox, Henry Brown, William Marquardsen, and William Lindecker. Expectations are high that there will be a large crowd to welcome in the first men's group.

The most recent choir practice saw the creation of an organization to better fulfill its responsibilities. Those elected were: President, Henry Brown; Bob Landeen; vice-president, Lee Lindecker, secretary.

Lincoln-Way's frosh-soph squad continues to practice for a few more weeks.

Bowling Now A Favorite With Millions

BY GILBERT STEWART

Bowling, a favorite sport of hundreds in this area, originated thousands of years ago!

Primitive man played the game which later became highly popular with the Swiss and Germans as far back as 1300 A.D.

A little later, but yet, a long-time ago a version called "nine-pins" was outlawed because of corrupt gambling practices. The game was revived when a fellow came along and added another pin and called it 10-pins.

Then along came three men, who had made quite a reputation building pool tables, Brunswick, Balke and Callender. They added the hardwood floor, known as alleys and started to sneak the term bowling into the game, which met with serious disfavor from those that felt bowling belonged on the greens.

This wasn't the only trouble facing the three gentlemen of cue-dome. Perhaps, it was the gambling stigma that followed, the early version of the game, thru the centuries, or it could have been their sales habits of contacting semi-unsavory characters in peddling their pool and billiard tables. But, never-the-less, it was in pool halls that most of the bowling alleys wound-up.

Altho, as time crawled along many men who had spent their leisure hours in pool halls later became outstanding national figures, the poolhalls were known as a hangout for never-do-wellers.

Bowlers, of course picked-up the stained reputation of pool players, which was about a half a grade above horseplayers, not usually accepted in the silk-sox league.

Then along came the dark days following 1928 when work and busidwinded with the exception of the amusement business. Brunswick, Balke and Callender held a special meeting on the third floor of the building bearing their name at the corner of 8th and Walnut in Cincinnati and decided it was their civic duty to help WPA workers occupy their spare time. Broken shovel handles accounted for a lot of this time and nothing could beat bowling for sustaining the leaning position so important in holding a WPA job.

About the same time President Roosevelt decided to let the suds flow again, he followed this up by releasing the hard stuff, all of which helped bowling because it gave a sideline to bowling which covered a little of the overhead and perhaps added a little profit.

In the meantime, bowling got a boost to respectability when the Elks, Knights of Columbus, and other recognized organizations added bowling alleys to their club rooms.

Bowling alleys became beautiful sports palaces with automatic pin setting equipment plus the luxury of beautiful dining rooms and carpeted cocktail lounges. Of course, that nasty old word "Alley" was replaced with a much more sophisticated one.

Now, we have bowling lanes. Nice clean well ventilated sports palaces.

If we were to think like some of our forebearers, we would probably conclude that all bowlers were drunks because they have cocktail lounges in bowling lanes, instead of being reasonable enough to know that without the restaurants, bars and bowling supply counters that these well equipped lanes would not exist.

Bowling has become an important part of rural living. Bowling has filled one of the big recreational gaps that stood between city and country living.

In the Mokena Businessmen's League two brothers are rolling it out for top honors. They are: Bob Homerding with a 245 high game and Marvin Homerding with a 256 high and 645 series record.

Bremen Beat

BREMEN BEAT
A number of students from Bremen Community High school will take part in the all-day district music contest to be held Saturday, Feb. 27, under the sponsorship of the Southwest Suburban Conference.

Soloists will be Jack Bonaker, tuba; Bob Detrick, alto saxophone;

Herbert Hedeon, tenor saxophone; Diana Huntley, baritone; Dan Mensing, horn; John Mensing, horn; Philip Pursley, alto saxophone; George Rieke, clarinet; Warren Schluter, tenor saxophone; Gene Smith, trombone; and David Walker, baritone.

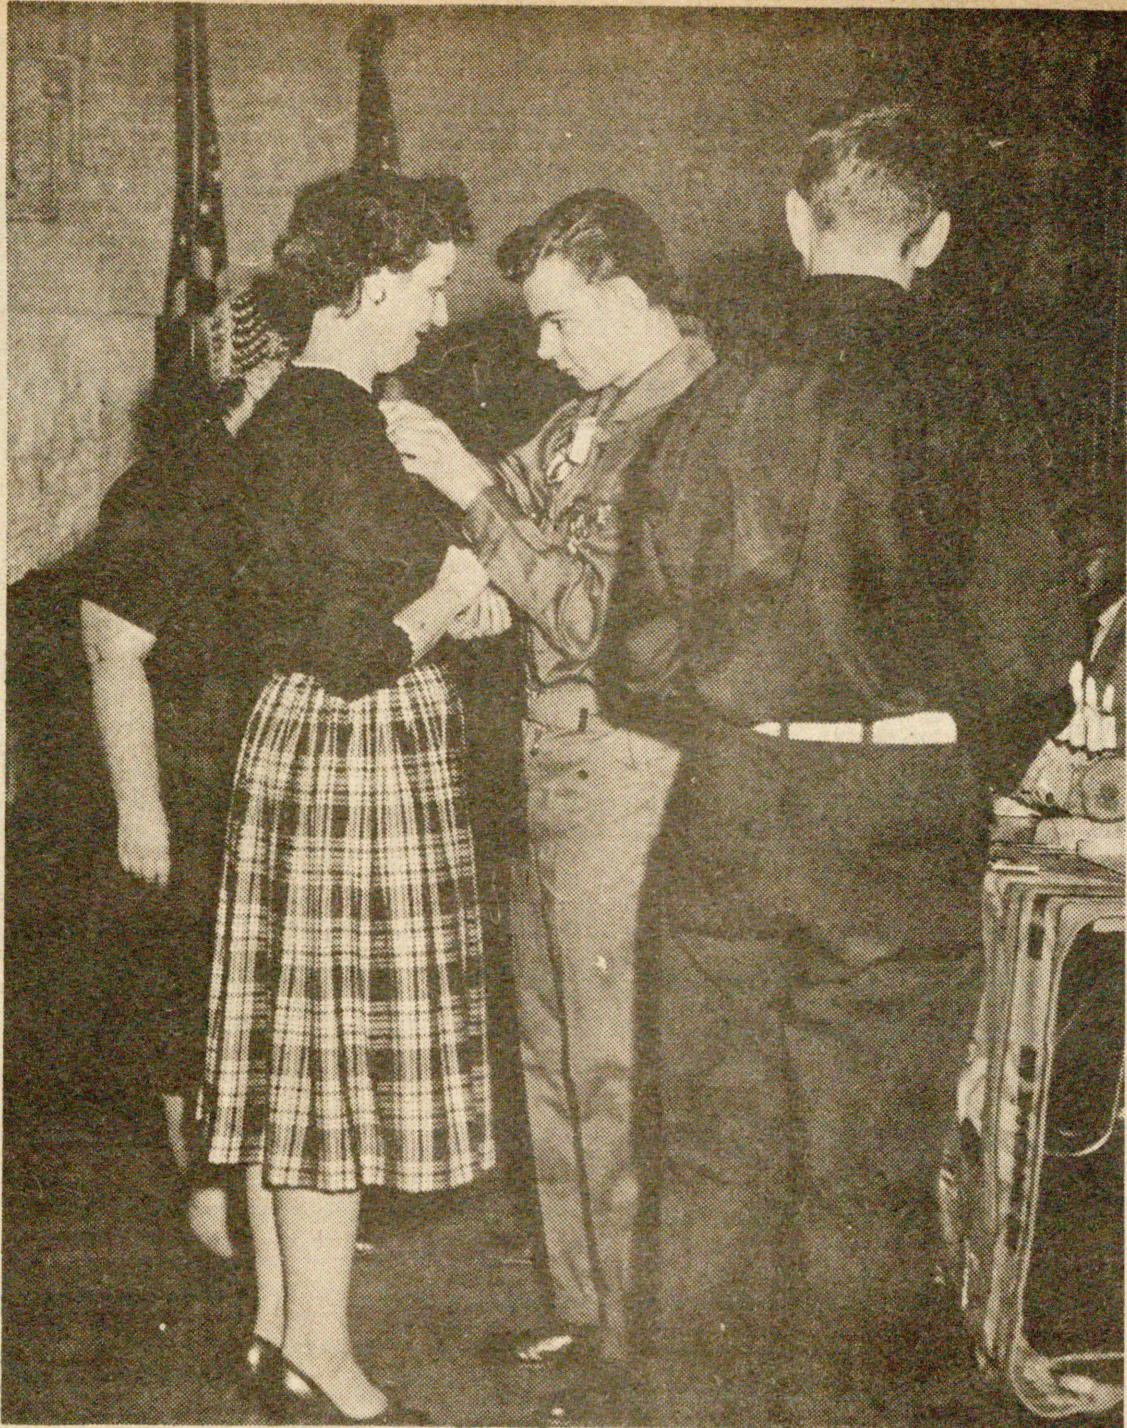

The mixed double ensemble, with Mary Goodwin, Susan Gressens, Lois Noyce, Linda Bruce, Art Peters, William Tindall, George Goodwin, and Douglas Noble will sing "She Is So Dear," accompanied by Sharon Jochum.

A flute trio, Alice Winegarner, Sandy Stephens, and Joyce Franklin, will play "Dainty Miss," and another flute trio, Michael Strouts, Cecille Lasser, and Gale Sorensen will perform "Doll Dance."

"We Three" will be performed by Clinton Kounk, William Dalley, and Robert Bateman, drum trio; and "Frisvolites" will be a number by Tom Dresser, Walter Kozik, and Virginia Anderson, clarinet trio. Another clarinet trio with Georgine Keuch, Sherrie Kistner, and Janice Huston will present "Waltz and Burlesk."

George Rieke and Sharon Jochum will give "Duo No. 2" as a woodwind duet, while Lyndelle Fairlie and Sharon Jochum will present "Badinage" as a mixed woodwind duet. David Syfert and George Matula will present the brass duet number, "Flirtations."

A brass sextet composed of David Syfert, George Matula, Dan Mensing, Diana Huntley, Gene Smith, and Jack Bonaker will present "Four Pieces for Brass Sextet." "Two Intradas" will be introduced by Charles Corder, Paul Sundblad, John Mensing, Kenneth Anderson, David Walker, and David Winterfeldt, brass sextet. "Cracker Jacks" will be interpreted by a cornet trumpet trio with Margaret Sivilie, Keith Smith, and Frank Kozik, as another cornet trumpet trio with Roger Hamlin,

PASSES HONORS on to Mom. When an award was presented to Wayne Swanberg at the Scout Court of Honor at Mokena, the young man in turn presented it to his mother, Mrs. Charles Swanberg. (Marvin Smith Photo)

Bob DeYoung, and Dwight Syfert does "Trumpeters Three." Judy Bivens, Robert Detrick, Herbert Hedeon, and Warren Schluter will harmonize as a saxophone quartet in "Scherzo."

The winter band concert at 8 p.m. will present the following numbers: "Brass Pageantry March," "Damnation of Faust," "Marche Slave," "Hi-Hat Novelty," "Tame Lane," selections from "The Music Man," "The

French Market," and "St. Louis Cathedral" from the French Quarter "Prom Night" from Ballet for Young Americans, "Dry Bones," and "Toga March."

Sharon Jochum, Carol Ball, and Linda Hollowell will be among the accompanists.

Bremen musicians, under the direction of Donald Hollingsworth, chairman of the music department, and Ruth Schmidt, vocal director, are making preparations for the conference music festival to be held Thursday and Friday, March 10 and 11, at Reavis high school.

The Bremen Community High School debating team won a first place trophy at the Southwest Suburban Conference meet at Oak Lawn High School.

The affirmative team was composed of Donna Johnson and George Rieke, and the negative squad included David Syfert and Paul Fellwell.

George Rieke had previously won a first place award in competition with affirmative speakers

at Lincoln-Way high school in New Lenox.

Lestina Larsen is sponsor of the Academians with Henry Arnold as assistant sponsor.

Two seniors at Bremen have been named finalists in the 1959-60 competition of the National Merit Scholarship Corporation program and have been awarded certificates of merit, according to Glenn Starnes, principal.

Paul Bruggink and George Rieke were the winners of the certificates. Paul is the son of Mr. and Mrs. Robert Bruggink, 16494 Belle Plaine Drive, Markham, and George is the son of Mr. and Mrs. Lester Rieke, 2812 Tennyson Pl. Hazel Crest.

They made high scores on two college aptitude tests used in the National Merit Scholarship competition. About six-tenths of one per cent of the seniors in each state received the awards. A national total of 10,000 students were honored.

Merit scholars will be selected

and announced this spring as a result of the competition. Winners will be announced about April 27.

Selection of finalists to be awarded merit scholarship is performed by a panel of experts in academic selection and by special judging teams, which consider such factors as high school grades, leadership, citizenship, and extracurricular activities.

The scholarships are four-year awards and carry stipends that range from \$100 to \$1,500 a year. Each student chooses his college and course of study.

The United States commissioner of education has just announced 35 National Defense Language Institutes for Teachers, supervisors and trainers of teachers of modern foreign languages in elementary and secondary schools to be conducted in the summer of 1960, according to information received by T. R. Birkhead, superintendent of Bremen.

Institutes to be conducted during 1960-61 will be announced shortly.

Applicants will not be limited to residents of the state in which the institute will be conducted. No tuition or other fees will be charged those who are accepted. The stipend is 75 dollars a week for the attendance period with an allowance of 15 dollars a week for each dependent.

Centers in the area include Northwestern University, Purdue University, Michigan State University, Washington University, and Rosary College.

WHERE You Save DOES Make A Difference.

LOOK FOR THIS EMBLEM WHERE YOU SAVE! It identifies an Insured Savings and Loan Association and is your assurance that savings are protected by: (1) The security of first mortgage loans on homes and other assets including cash. (2) Sound, progressive operating policies administered by experienced local management. (3) Continuous supervision and periodic examinations by governmental authorities. (4) Insurance on your savings up to \$10,000 by the Federal Savings and Loan Insurance Corporation.

NO ONE HAS EVER LOST A CENT in insured savings accounts in America's FSLIC Insured Savings and Loan Associations. The FSLIC is an agency of the Government, established by Congress to insure savings up to \$10,000 in member institutions. It is under the direction of the Federal Home Loan Bank Board which examines the operations of all member institutions regularly to assure continued sound operations.

A STRONG RESERVE SYSTEM composed of eleven regional Federal Home Loan Banks provides additional liquidity for member associations by making advances available when required to meet unusual or heavy withdrawal demands and also for seasonal mortgage lending. The Federal Home Loan Bank System is supervised by the Federal Home Loan Bank Board — a three man board appointed by the President of the United States with the advice and consent of the Senate.

THE SAVINGS AND LOAN FOUNDATION, INC., is a non-profit organization. Its purpose is to promote the twin goals of thrift and home ownership through public education and information in national media. All member associations of The Savings and Loan Foundation are also members of the FSLIC and the Federal Home Loan Bank System.

LOOK AT THE LOWER PRICES

List prices as much as \$76.05 lower on popular models with popular equipment

The '60 Chevrolet models most people buy, equipped the way most people want them, are actually priced lower than last year's models. This two-tone Bel Air V8 sedan, for example—with Turboglide, push-button radio and de luxe heater—lists for a whole \$76.05 less! Prices are lower for all comparable V8 models throughout the line. Also for all comparable 6-cylinder models with Powerglide. Yet Chevy's loaded with more of the things that put pleasure into owning a car. (Just look at the list!) It's the greatest year yet to get into a Chevy!

Softer, more silent ride with coil springs at all four wheels and new butyl rubber-cushioned body mounts.

Big brakes for quicker, surer stops. Rivetless bonded linings mean they last longer, too.

More room to relax in. Chevy sedans offer roomier seating than any car in their class. Lower, narrower transmission tunnel means more foot room.

Only full wraparound windshield among the leading low-priced cars.

Electric windshield wipers keep sweeping even when you speed up to pass.

Vent windows crank open and closed. So much simpler than fighting those tricky little catches.

Keyless locking of all doors. Quick and easy. The same key opens door, glovebox, trunk and starts the car.

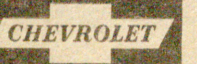

Economy Turbo-Fire V8. Or how to get up to 10% more miles per gallon of regular and still have lots of "git."

Thriftest 6 in any full-size car. It's the '60 version of the engine that got 22.38 miles per gallon in the 1959 Mobilgas Economy Run.

Widest choice of power teams. 24 engine-transmission teams in all, with output up to 335 h.p.

A trunk that's made for long trips with up to 22.5% more actual luggage space. Sill's lower for easier loading.

Fisher Body craftsmanship. Look at the finish, the fabrics, the detail work. You'll see the difference.

Drive it—it's fun-tastic! See your local authorized Chevrolet dealer for fast delivery, favorable deals.

Girl Scouts To Start Taking Cookie Orders

BY LILLIAN KNOX
Fieldbrook 9-0211

Girl Scouts in Orland Park will begin taking orders for Girl Scout cookies on Saturday, Feb. 20. Four types of cookies: vanilla-butter, chocolate and vanilla sandwich, fudge-filled sandwich, and chocolate cookie mints will be offered at 40¢ per box.

Mrs. Lee Holcombe is the District cookie sale chairman. Assisting her with the sale in Orland Park is Mrs. O.R. Thurston.

All Intermediate and Senior Scouts in the South Cook County area will participate in this sale. The girls aim to sell a total of \$175,000 boxes in 1960.

Proceeds from the annual cookie sale are used to extend the camping program and provide more camping facilities for Scouts throughout the Council.

Funds from this year's sale will be used to build outdoor shelters at Camp Thorn Creek, the South Cook County Girl Scout Troop camp in Thornton, more tents and camping equipment for the 18 summer day camps operated by the Council, and purchase of additional waterfront equipment for the two-week established camp, Camp Manistee, in Michigan.

On account of the inclement weather Wednesday the Cancer dressing group meet was called off. The group will meet as usual the second Wednesday, in March at Wesley

Hall.

The meeting of the Orland Park Unit #526, the American Legion Auxiliary scheduled for Friday evening, Feb. 12 was cancelled until Friday, Feb. 19 at the home of Edna Doctor at 8 p.m.

The meeting of the Orland Eager Beaverettes was held Friday, Feb. 5 at the home of Sharon Kobeikis. Mrs. Marvin Cooper continued to help the girls with their crocheting.

A committee of 4, Janis Moulton, Sandra DeRoss, Sharon Brietharth, and Bonnie McNichols, was organized to make a window display for 4-H Week, March 5 thru 12.

The girls played games, followed by refreshments served by committee.

Esther Circle of the Methodist Woman's Society of Christian Service will meet in Wesley hall Thursday morning Feb. 25 at 10:30 a.m. Bring a sandwich, the hostesses Mrs. Harvey Cooper and Mrs. Charles Cooper will serve coffee and dessert. Mrs. Robert Plawton will be in charge of the devotions.

As a reminder, there are still several members who have not renewed their membership dues in the WSCS. You may do so at this meeting.

Last Sunday afternoon, Mrs. Karl Ekberg picked up her cousin, Elizabeth Olson, at East Chicago. They motored to Harvey and had dinner at the home of Miss Alice Galey and spent the evening with her.

After spending a few days in Orland with Mrs. Ekberg, Mrs. Olson returned to East Chicago.

Mrs. Charles Mueller has accepted the chairmanship of the Heart Fund drive in Orland Park. Heart week starts Feb. 22, and continues on to Heart Sunday, Feb. 28. Mrs. Mueller has contacted volunteers to help her, so when someone calls at your door give as generously as you can.

Mr. and Mrs. Thomas Cooper celebrated their 40th wedding anniversary Feb. 12. The children had a surprise smorgasbord dinner at Jardine's. There were 19 including the honored guests, who enjoyed the dinner party.

Maine was once the property of Massachusetts. According to World Book Encyclopedia, Massachusetts bought the other state for about \$6,000 in 1677 from the heirs of Ferdinand Gorges, who had received the land as a gift.

NOTICE

February 29, 1960 is the last day to obtain village of Mokena vehicle licenses at the \$3.00 discount price. March 1, 1960 the regular price of \$5.00 will be due.

Licenses may be obtained from the Village Clerk office at 403 North Wolf Road.

The 4-H Federation meeting held last week, dealt with the subject of Safety on the Farm and In and Around the Home. Many federation members practiced safety on the highway by not attending this meeting, since the weather was extremely bad and the roads very hazardous. The safety program presented to the Federation by the Tinley Hustlers 4-H Club was excellent. Jean Siemsen, Tinley Park, 4-H Federation secretary and also president of the Tinley Hustlers Club, narrated the program, presenting facts about the number of lives lost due to accidents. Members of the Tinley Hustlers then presented a skit which demonstrated the importance of all of us being safety conscious at all times.

The combined Home Economics and Agriculture 4-H Committees this past week reviewed the 4-H Program. Some of the activities discussed were: Share-the-Fun activity, the 4-H Rally which will be held March 8th at the Carl

Sandburg High School, the program of the 4-H Federation, and the 4-H Window Display Contest. These window displays will be in place throughout the county during the National 4-H Club Week, March 5 through 12. 4-H Committee members from this area who helped in the program review were: Earl Siemsen, Tinley Park; Henry Veldhuizen, Glenwood; Mrs. James I. Johnson and Mrs. Ralph Johnson, Homewood; Mrs. John Alfievic, Palos Heights; Mrs. Carl A. Johnson, Richton Park.

4-H Federation officers selected as adult advisers, four local 4-H Club leaders. According to Federation president, Jim Bussema, Chicago Heights, these advisers will assist the Federation in program planning and conduct of the Federation affairs. These advisers are: Mrs. Carl Johnson, Mrs. John Alfievic, Earl Siemsen, and Henry Veldhuizen.

Some weeks ago I announced in this column the "National Flower" election being held by the florists all over the country.

The votes are in and the final tally shows the rose to be the winner by nearly 2 to 1 over its closest rival, the carnation. Third in the standing was the chrysanthemum.

Forty eight of the fifty states named the rose as top choice, with only Hawaii and Colorado naming the carnation as most favored. Varieties of roses are already the state flowers of Iowa, North Dakota, New York, and Georgia, and if Congress decides to name the rose the official flower of the United States, we will be the fifth country to adopt the bloom as the national emblem. England, Luxembourg, Iran, and Honduras have

variety, Fayette, Newton performed well last year under a rather heavy yellow dwarf infestation.

Knowledge is what you learn from others. Wisdom is what you teach yourself. You need both to live and drive safely.

named the rose as their national flower.

The official returns will be submitted to the Chairman of the Senate Judiciary subcommittee on Federal Charters, Holidays and Celebrations, and House Committee on Administration who will consider the recommendation for the National Flower.

The first five flowers in the balloting and the number of votes cast for each flower are: Rose, 386,841; Carnation, 171,591; Chrysanthemum, 75,729; Lily-of-the-Valley, 60,033; and the Orchid, 46,681. Other flowers in order of popularity were Tulip, Gladiolus, Camelia, Black-Eyed-Susan, Mountain Laurel, Geranium, Magnolia, Goldenrod, Rhododendron, Daffodil, Peony, Shasta Daisy, Grass, Corn Tassel, and Marigold.

Well over one million votes were cast in virtually every community in the United States.

For over 40 years, selection of an official flower has been discussed in Congress. Last ses-

sion, 15 bills were introduced nominating various flowers. It is hoped that the results of this election will hasten the selection of the rose as the National Flower.

BY DELORES ANDERSON
New Lenox 3651
The New Lenox Sportsmen Recreation club will sponsor a square dance Saturday Feb. 27, at the Haven school auditorium, from 7:45 p.m. until 12:00. Refreshments will be available throughout the evening, and home-made bakery goods will be sold. There will be prizes and awarded throughout the evening.
Families are asked to bring their children for an evening of good entertainment. Donation will be \$1.50 per family.
The New Lenox Womens club will meet at 1:30 p.m. Tuesday Feb. 16, at the home of Mrs. Grace Sweet, North Cooper st. Assisting hostess will be Mrs. Irene Peterson.
Miss Carole Crouse underwent surgery Monday Feb. 8 in Silver Cross hospital for the removal of an eye. Carole is a nurse in training at Silver Cross hospital.
Three hundred and fifty sportsmen attended the fox hunt last Sunday Feb. 7, sponsored by the Sportsmen club. Starting at 9 a.m., there were five drives, two in the morning and three in the afternoon. The hunt was very successful, with the killing of 10 fox. Meeting at the Lions Den, the men were taken in trucks to the various communities, where they made their drives. They returned to the Lions Den at noon for a hot meal. Dale Drake was chairman in charge of the hunt; Bob Vanderob, president of the Sportsmen club, John Bell, and Tony Luce were on the food committee.
Mr. and Mrs. Earl Schroeder are enjoying a two week vacation in Florida. They are visiting with his mother, Mrs. Freida Schroeder at Tampa, with her aunt and uncle, Mr. and Mrs. Joseph Walsh at Sarasota, Fla., and with other friends. Her parents, Mr. and Mrs. A. W. Walsh of Sugartuck, Mich., are staying in the Schroeder home with the children during their absence.
Donald Grund, son of Mr. and Mrs. Norman Grund, Oak St., was graduated Jan. 28, from Northern Illinois University, at DeKalb.
The Womens Guild of Grace Episcopal church meeting, to have been held last Thursday night, Feb. 11, was postponed due to the weather, and will be held, instead, tonight, Feb. 18, at 8 o'clock in the parish hall. Mrs. Arnold Batson and Mrs. Louis Kolbe will be hostesses.
The Woman's League of Trinity Lutheran church will hold their monthly meeting Tuesday Feb. 23 at the church dining room at one o'clock. The 19th anniversary of the League will be observed at this meeting.
Guest speaker will be Mrs. Marie McDonald, who will talk on "Sun with Hats". Hostesses for the anniversary celebration will be Mesdames, Cecelia Ruder, Lois Minger, Zerilda Olson, Mildred Schultz, and Margaret Knapp.
On Wednesday night, Feb. 10,

Mr. and Mrs. E. C. Olson of Shady Acres Kennels, and their Cocker, Timer of Shady Acres, CDX (Denny), were the guests at a father-son banquet in the Methodist church at Plainfield. As guest speaker, Mr. Olsons subject was "Why Own A Dog If You Can't Enjoy Him?" Mrs. Olson gave a demonstration on obedience with a cocker. On Monday night Feb. 22, they will be the guests at a father-son banquet in the Grace Methodist church at Joliet.

The Second Child Study club met recently at the home of Mrs. Gene Krohy with Mrs. Walter Reeser as co-hostess.

the new Princess phone!

This modern extension saves you space...lights up to make dialing easy...and looks lovely anywhere

 In the bedroom
 In the kitchen
 In a teen-ager's room
 In the living room

Most likely there are several places in your home where a phone is needed, but space is limited.
On a night table, for instance, or an end table. Perhaps on a busy kitchen counter.
Anywhere in your home the new Princess phone goes beautifully. It's small, to take up less room. And modern—to grace any place it's put.
And the dial lights up when you lift the receiver!

Makes it easy to dial at night or any time that light is dim. When it's not in use the dial becomes a soft night light that glows in the dark.

The Princess phone comes in your choice of decorator colors—white, beige, pink, blue or turquoise. Just call or visit your telephone business office. Or ask any of our telephone installers to show it to you.

The following new members were received into the Methodist church, 159th and Oak sts., at the morning worship service Sunday, Feb. 7: Mr. and Mrs. James Burke, Mr. and Mrs. William Nicholson, Mr. and Mrs. Lawrence Reimer, and Mrs. Henry Stickler.

On the same Sunday three infants received the sacrament of baptism. They are Lawrence Scott Reimer, son of Mr. and Mrs. Lawrence Reimer. Sponsors were his maternal uncle, Herbert Hultsch, of Tinley Park, and his mother's cousin, Carol Hultsch of Rose-land. A dinner to celebrate the occasion was held at the home of the child's maternal grandparents, Mr. and Mrs. Herbert Hultsch of Tinley Park. Also, Kevin Lee Elliott, son of Mr. and Mrs. William Elliott, with his uncle, Leo Elliott and maternal aunt, Cheryl

Hartman, as sponsors.
Trustees on the village board are investigating the installation of crossing flasher lights at two locations, 156th and Cicero ave., where the fire house is located, and 159th and Oak sts., for the protection of school children.

On the sick list is Tommy Noak a flu victim, and Ronnie Dove, who has measles.

Mrs. Florence Snell and Miss Tess O'Hara were guests at the Phillip O'Hara home in Chicago Feb. 5. The birthday of Miss O'Hara was celebrated with a family dinner.

Mrs. Loretta Potvin of Chicago is recuperating at the home of her daughter, Mrs. Paul Bradbury. She has been ill for some

time. Other visitors in the home on Feb. 8, were Mr. and Mrs. James White of Chicago.

Guests for dinner in the home of Mr. and Mrs. R.A. Dove Sunday, were her five-month old grand-niece, Faith Ann Nichols, and her parents, Mr. and Mrs. Robert Nichols, also Mr. and Mrs. George Koroski and daughter, Bernie.

The fire department reports they have inspected seven business houses for fire violations.

The Mr. and Mrs. Club met at the Forest Bowl for an evening of recreation last week. The regular meeting and Valentine party followed at the Methodist church. Hosts for the evening were Mr. and Mrs. Lloyd Zhe and Mr. and

Mrs. Emerson Aherns.

Forest Ridge Boy Scouts Troop 252 held a pot luck supper Feb. 10, in the school, in celebration of the 50th anniversary of scouting, attended by scouts and parents. The troop has over 40 members.

Mr. and Mrs. John Hraha returned last week to their home in Lake Greenwood, S.C. after a six-week visit with their daughter and family, Mr. and Mrs. James Saich and their son and daughter.

C Carlson of Davenport, Iowa, visited with his mother Mrs. Ellen Carlson and sister Mrs. Martha C. Ramsey over the weekend. He is here to attend a school conducted by the A.T. & T company at the Conrad Hilton hotel, Chicago.

James Moyer, 15935 LaCajre ave., is a patient in the Hazel Crest hospital and his many friends wish him a speedy recovery.

Cub Pack 252 of the Forest Ridge grade school will hold their annual blue and gold banquet at the school Saturday, Feb. 20.

Tri-Kena Scouts
Present Program
At Lincoln-Way

Girl Scouts residing in the Mokena, Frankfort and New Lenox area are making preparations for a Tri-Kena Neighborhood program, to be held at 2:30 p.m. Sunday Feb. 21, at Lincoln-Way High school auditorium.

All 19 troops, representing 276 Brownie, Intermediate, and Senior scouts, will take part in songs and skits, based on a camping theme.

A new color movie, entitled "Time Now, Camp Now" will also be shown.

The chairman of the event is Mrs. Robert Lang, of 112th ave., Mokena. Assisting her is Mrs. Clarence Berg of Marley rd.

The public is invited.

Ringling's
Circus Comes
To Hospital

Some 50,000 pieces of circus equipment and performers moved onto the grounds at Oak Forest hospital last week.

The table top show in the patients main dining room included a three ring circus under the big top, individual side shows, and a 200 animal menagerie.

It was an especially big treat for patient Billy Lorente, who relived his years as Chief Clown with Ringling Brothers Circus among the miniatures, scaled seven-thirty seconds of an inch to one foot.

All models, Gargantua to the Circus wagons, are replicas of the 1947 combined Ringling Brothers and Barnum and Bailey Circus. Blueprints provide for the placement of pieces in the layout and the exactness of the measurements.

Howard Numbers, 14200 Wabash ave., Riverdale, spent nine years building The Greatest Show On Earth, and has spent 15 years in research, begun as a hobby prior to his retirement.

"Never had time to have my own circus, when in the dry cleaning business," says Numbers, who played the drums in the Hagenbach and Wallace circus band in 1918. "But now that I'm retired I spend my time keeping it up and expanding to 8,500 characters which I'm in the process of carving."

Numbers' pride and joy is a calliope wagon with an eight horse hitch. Three miniature men work on the wagon as driver, player, and one to shovel coal for steam. It has the same number as the original.

The three ring circus is seen under the big top, as a section of the tent rolls up to disclose hundreds of individually carved spectators, and a 23 piece band. They are background for a clown on a high chair, tottering into the arms of Pappy Yokum; a trick rider circling a ring on the backs of two horses and a tight rope walker swaying on one foot.

Numbers plays taped circus music, and adds red and white striped tent canvas around the exhibit to further the illusion.

The patients gathered to see Numbers fit the collapsible tents and equipment into wagons, loaded onto the 64 model railroad car train, waiting on tiny tracks at the far edge of the exhibit... Just as folks did in the old days, when they get up at dawn to watch the circus pull up stakes and silently move on to another town.

Brownies Practicing For Trikena Girl Scout Rally

BY KATHERINE HEISNER
Frankfort 5187
The music in the air these days comes from the Frankfort Brownie troops practicing for their participation in the Trikena Girl Scout rally, "Here We Go Wandering", to be held at 2:30 p.m. Sunday Feb. 21, in the Lincoln-Way auditorium.

Parents are invited. Each troop will present a skit showing a phase of Girl Scout activities. Troop 96, under the leadership of Mrs. James Kelly and Mrs. Clifford Woodman, will present a skit, entitled "Frogs in the Pond". Troop 100, under the leadership

of Mrs. Wayne DePorto and Mrs. Con Wieringa, will demonstrate a skill under the title of "The Open Range" - Brownie style. Miss Donna Miller has been helping the girls of both troops with their songs. Troop 100 has just completed an international friendship project, specializing in a study of the Netherlands, and included the making of lapel pins dresses as Dutch dolls.

Current officers of this troop are, Sharon Hedge, president; Barbara Harwood, treasurer; and Peggy Nissen, secretary. Newly elected officers of troop 96 are, Karen DePorto, president; Jane Rheinwald, vice-president; Roxann Burkett, treasurer; and Patricia Lauffer, secretary. This troop has enjoyed hiking, caroling, and craft work this fall

ing the regular morning worship served in the Methodist church, by the Rev. James Parker.

Dr. and Mrs. Irving Rudman entertained the following at a bridge party last Wednesday evening: Dr. and Mrs. Claude Otto, Dr. and Mrs. Merle Otto, Mr. and Mrs. Howard Osmus, Dr. and Mrs. Robert Keener, Mr. and Mrs. Frank Novak, Mr. and Mrs. Jack Erving and Mr. and Mrs. Ralph Dralle. Dessert-coffee was served.

The Junior Youth Fellowship of St. Peter's United Church of Christ will meet at the church Sunday, Feb. 12, from 7 to 9 p.m.

Mr. and Mrs. Robert Simpson entertained Saturday evening, Mr. and Mrs. Robert Klier of Monee, and Mr. and Mrs. Henry Kuse of Gree Garden, also Mr. and Mrs. Norbert Brockman and Mr. and Mrs. Leslie Koenig. A luncheon was served.

Larry Subbert son of Mr. and Mrs. Milton Subbert returned to home recently after being a surgical patient at St. Joseph's hospital.

Mrs. Homer Smith entertained her pinocle club last Friday afternoon. Prizes were won by Mrs. Alvin Bruggeman and Mrs. Arthur Marti. Lunch was served.

The Youth Fellowship of the Good Shepherd Lutheran Church will have a paper drive, Saturday March 19.

The Amite Sewing club will meet Tuesday evening, Feb. 23, at the home of Mrs. Herbert Lambrecht.

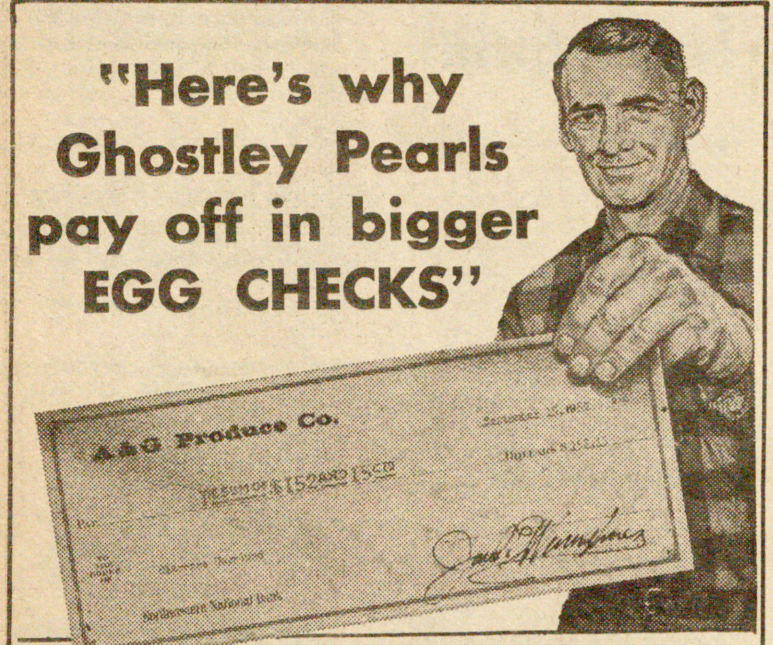

Martin Man of Minnesota visited with Mrs. Anna Scheer last Saturday.

Pay \$1.25 for a quart of milk?

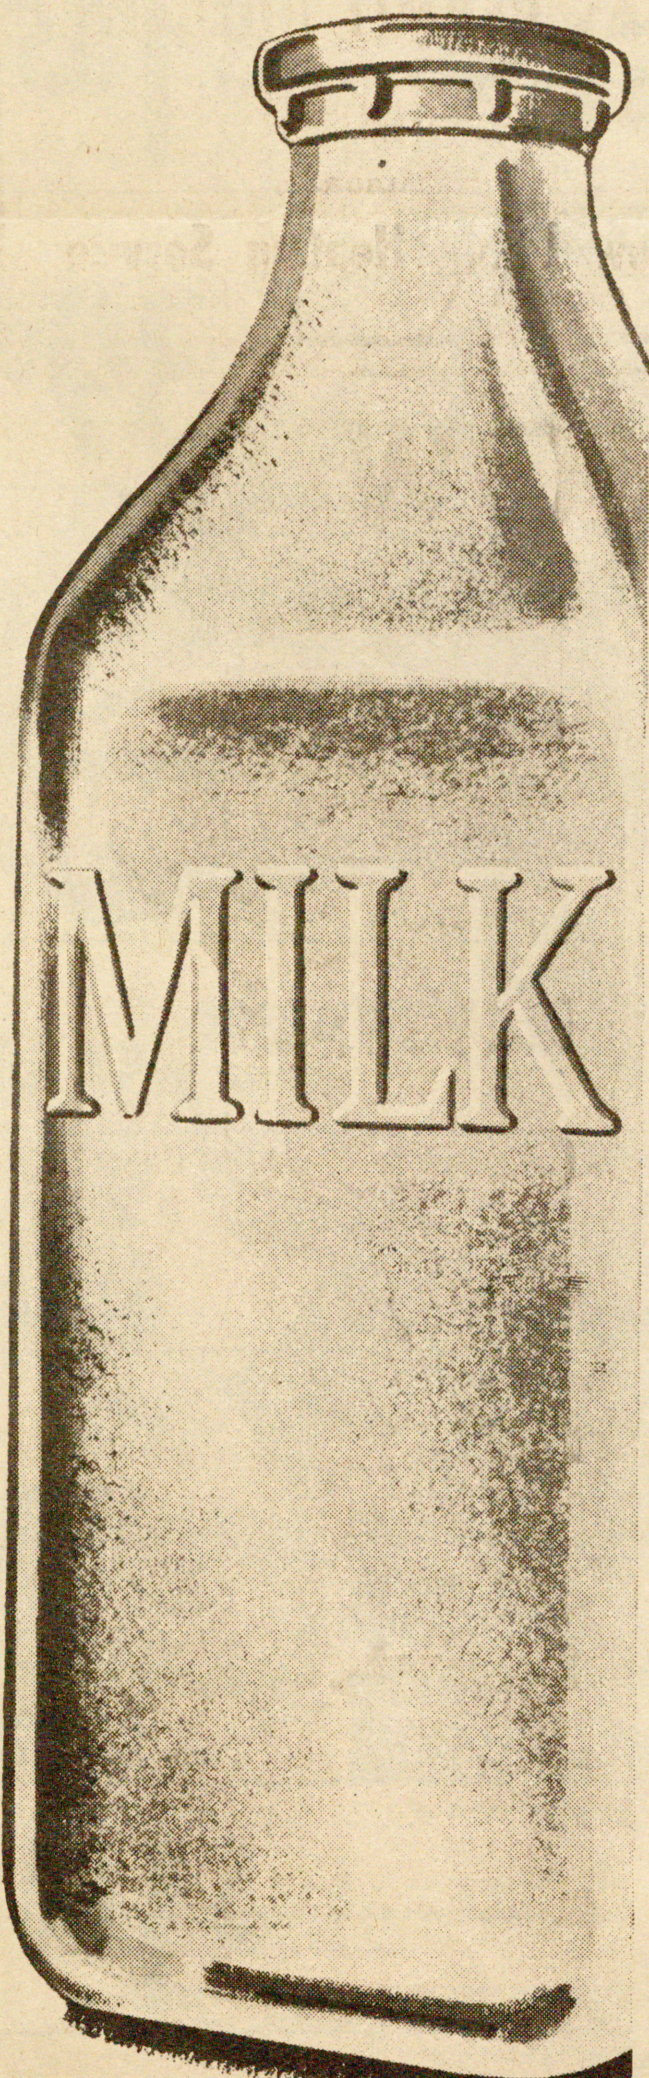

Of course you wouldn't pay \$1.25 for a 25¢ quart of milk. What about clothes drying? Would you pay 5 times what it's worth, load after load? Actually there's no need to! A GAS dryer will dry your clothes perfectly—so soft, so fresh—yet it costs only 1/5 as much as any other kind to operate. You'll find economical GAS makes it practical to use your dryer as much as you like, as often as you like. And, with GAS you save enough to pay for your dryer in just 6 years.

...only GAS dries clothes so well for so little!

4-H NEWS

SNIP 'N' SNACK
The meeting of the Green Garden Snip 'N' Snack 4-H Club was opened by Mrs. Fran Torok, a beautician. Mrs. Torok began by demonstrating washing and set-

ting hair, using Evelyn Diment as a model. While she finished the set, other club members gave talks on grooming. These included: Elita Ballard, "The Shape of the Face", Peggy Krapf, "Reading, and Your Eyes", Gloria Heisner, "Acne", Karen Thiesfeld, "Teeth", Carolyn Patz, "Deodorants". She showed the girls styling tricks when combing out hair.

Carol Waldhauser gave a talk on clothing. Sally Christensen on hand care, Bonnie Torok on the 14-point plan, feet care by Barbara Kestle, Carol Torok posture, and Bonnie Torok read an anonymous article, "Anatomy". Sharon Hommerdine gave a talk on "Teen-Ager's Take Care of Yourself."

The girls had their business meeting, which was called to order by president, Bonnie Torok. The secretary's and the treasurer's reports were read and accepted. Bills totaling \$10.24 were presented, voted on and accepted. Members sang "Happy Birthday" to the girls having January birthdays.

Reports were given on the approaching bridal shower for Phyllis Rosendahl, on Feb. 13. Sharon Hommerdine, chairman, reported on the paper drive. A total of seven tons of papers was collected. Bill Rab reported on the 4-H rally held in Peotone.

Rita Weber led the club in games. Kathy Fehland, music chairman, led group singing, Karen Thiesfeld, Marilyn Sangmeister, and Elita Ballard led the group in games.

4-H Offers Dog Project

Another new 4-H project offered in 1960 will be the Dog Project. The project will consist of care, management, and obedience of the family dog. Dogs in the project do not have to be registered purebreds. At the 1960 4-H Show dogs will not be judged on their pedigree but on their condition and obedience to their 4-H master.

This project is offered to all 4-H'ers in Will County. Mainly it is aimed to fulfill the needs of youngsters who do not have the room and facilities for major 4-H projects such as crops and livestock.

Several youngsters, scattered throughout Will County, have enrolled in the project already. The

Business & Finance

MAURICE P. ANGLAND
Generally, what are known as Municipal Bonds are not as well understood as are other investment vehicles. Municipal bonds are tax exempt obligations of governmental bodies. Objections to this tax exempt feature are often heard, but little serious legislative effort is made to remove tax exemption from this class of investments. Without the tax exempt feature, many small towns would be unable to secure financing for public projects. Such projects as the toll roads would also be impractical. As to municipal bonds, investors will not purchase these obligations until one of the very few law firms specializing in this field, has certified that all of the various laws and regulations covering such issuance, have been met. As a group, investors in this type of obligation, are interested only in having principal and interest paid on time and likelihood of a law suit to enforce payment. General obligations of the governmental body are the most desired, but where the amount needed exceeds the borrower's legal

debt limit, the usual borrowing is done on what are known as "Revenue Bonds." The revenue to meet debt charges is tied to revenue sources as water, parking meters, etc. There is still another group known as "Special Assessment" bonds. Specials are very difficult to market and usually carry much higher interest rates and at substantial discounts from face value. An investment firm buying Specials must receive a considerably greater profit on the transaction due to the unusual efforts necessary to market them and the limited number of investors who will purchase this type of bond. It is not unusual for Specials to carry an interest rate as much as 40 per cent greater than the General Obligations of the same area and in addition, a discount from face value of 15 per cent or more. Specials are sometimes accepted as payment by contractors who plan on re-selling these bonds. Obviously, the contractor must calculate bond discounts, etc., in his total job price. There are some special marketed thru regular financial sources, but their issuance must be studied very carefully by the investment firm. In issuance for sewer, water, etc., the firm will approve only where the area covered is almost entirely built up with almost no vacant property included. Issues so approved are small in number. Specials become an individual obligation on the property included under the bonds. Spreading of the individual property obli-

gations entails considerable technical work and easily becomes the subject of legal action as to its equity. In cases where individuals do not meet their particular obligations when due, there is a default on that portion of the bond issue. The default sum is a lien against the property. The lien, however, does not produce cash to meet principal and interest. Many Specials in this area, issued years ago, are still in default and many have been settled for a fraction of their face value. Specials also present a particular problem to municipal authorities as to receipt of funds in payment of the assessments. Often times the municipal authorities receive funds from assessments. Often times the municipal authorities receive funds from assessments and use these funds to pay interest and principal on the total issue. Results have often been chaotic as properties having paid their assessments are not in default whereas other properties may be.

Specials, as a class, have a history of legal controversy and few investors have the time or facilities for close checking.

Homer Missionary Society Features Bake Sale

BY ELIZABETH ANDERSON
The Missionary Society of Homer Church will meet Thursday, Feb. 25, at the church at 10'clock. Mrs. Vera Waldvogel and Mrs. Roy Parker will be the hostesses, with Mrs. James Elvig in charge of the program. A bake sale, to which each member is invited to contribute, will be a special feature. This group will serve lunch at the Robert Burch farm sale on Feb. 27.
The Homer Volunteer Firemen will hold their regular monthly meeting at the Fire House on Monday evening, Feb. 22, at 7:30. Mr. and Mrs. Irving Volrath of Lemont entertained at a family dinner on Sunday in honor of the 84th birthday anniversary of Mrs. Volrath's mother, Mrs. J.T. White of Lockport, a long-time Homer resident. Mrs. Ralph Waldvogel and Clyde White were the dinner guests, and in the afternoon the grandchildren visited in the Volrath home. Feb. 8 is the date of Mrs. White's birthday.
Reed L. Burch of Kent, Wash., made a short visit in the home of his parents last weekend, as he was returning from a business trip to Memphis, Tenn. He was just in time to help his mother celebrate her birthday on Feb. 7.
Randall Storm has been a medical patient in Silver Cross Hospital for several days. He returned to his home Thursday, much improved in health.
Timothy Jungles, small son of Mr. and Mrs. Charles Jungles, 6 E. Division St., was removed to Silver Cross Hospital Sunday night, for treatment of a throat and ear infection. He is much better and will come home as soon as the weather moderates.
Clarence A. Rowley of Plainfield, formerly of Homer, underwent an emergency appendectomy Wednesday evening at Silver Cross.
Mrs. Walter Konow, 159th st., was removed to St. Joseph's hospital by ambulance Saturday evening, Feb. 6, after she suffered a paralytic stroke in the home of her sister, Mrs. Peter WIES. She recently underwent eye-surgery from which she has recovered nicely. Her room number is 312.
The community seems to have recovered from Wednesday's "no heat, no water, no cooking" and in some cases "no phone" catastrophe, except that there are many "casualties" among the shade and fruit trees of the area. The kids took good advantage of two "no school" days to coast, skate, and just enjoy themselves. They also got a small taste of the kerosene lamp and candle eras.

Director School of Nursing
Silver Cross Hospital
Joliet, Illinois

Edward Reiter 84, of Palatka, Fla., a native of Homer twp., died Saturday, Feb. 6, in a Florida hospital, following a lingering illness. He was the son of the late Peter and Helen Reiter, pioneer settlers here. He farmed as a young man, later moving to Joliet and taking up the blacksmithing trade. He has lived in Florida for about 20 years.
His wife, Anna, survives him as do 6 sons, Orville of Niles, Mich., Arden of Lockport, Edward Wayland, Jerome and Glenn, all of Palatka; a brother, Peter, of Homer; 22 grandchildren and 14 great-grandchildren.
He was preceded in death by seven sisters and two brothers. They were Mrs. Ange Sonntag, Mrs. Mary Egger, Mrs. Elizabeth Erickson, Mrs. Helen Austin, Mrs. George Smith, Mrs. Susan Gotts and Mrs. Florence Parker and John and Lloyd Reiter.
The P.F. group of Homer Church went to Chicago Saturday evening and enjoyed a Valentine party with the young people of Rosemoor church. Rev. Elvig, who has been attending classes at Wheaton College on a part time basis, did not return for the second semester, so he is available at the church office or at his home at all times now. The new telephone number, which is the same for both home and office, is TE. 8-4048. He was in Chicago on business Monday of this week.
The Missionary Society has recently purchased a new desk for the church office and also ordered a pulpit light.
Carolyn, Leonard and Douglas Drives, of Lockport, spent a few days in the Bruce Anderson home last week when their mother was called to Elkhart, Ind., by the serious illness of her husband.

Harold Drewes. He became ill while away on a business trip.
Mrs. Henry Winke (nee Neva Deadmore), aged 67, died at Silver Cross Hospital on Sunday, Feb. 7, following a lingering illness. Funeral services were held Wednesday morning from the Miller Funeral Home to St. Dennis church with the Rev. Norman Petz officiating. Burial was in St. Michael's cemetery, Homer twp. She has lived most of her life in Homer, many years of which has been spent in the present family home on 159th st. She was a member of the Altar and Rosary Society of St. Dennis church.
Besides her husband, she leaves five daughters, Mrs. James (Evelyn) Marti, Mrs. Dean (Cecelia) Newton, both of Mokena, Mrs. Fred (Ruth) Hansel of Joliet, Mrs. Robert (Mary) Holman of Midlothian and Mrs. June Rogers of Homer; three sons, John of Joliet, and Richard and Edward of Homer; 19 grandchildren; one brother, Lewis Deadmore, of Midlothian, and two sisters, Mrs. Ralph Moore of Telford, Tenn., and Mrs. Dede Goff of Los Angeles, Calif. Three children preceded her in death, Henrietta, Donald and Robert.
